

BRANCH BOOST

AED 110.00

SKU: WE-001

Branch Boost captures the essence of sustainability right down to its core. Its body is made of FSC certified Bamboo and it closely resembles a tree. Like a tree giving life to the environment, this tree gives life to all our devices and belongings. You can use the device as a tray to conveniently organize daily items like your keys, headphones, stationery, and others. The 15W wireless charger ensures the fastest possible charge for your smartphone or other Qi Qi-enabled devices.
